2016 REVERE Awards Winner

In its 50th program year, the REVERE Awards "identify and honor high quality resources that educate learners of all ages, in all media, and in all educational environments, both in and beyond the classroom." Zoombinis is pleased to [this year's award winner](#) in the *Beyond the Classroom, Play* category.

The Game

Only you can deliver the Zoombinis from the clutches of the evil Bloats, who have seized control of Zoombini Isle! Guiding the Zoombinis to their new home will require your best creative and logical thinking, as the way ahead is perilous.

Solve fun and challenging puzzles and explore a strange land packed with memorable and quirky characters. Playing Zoombinis teaches and reinforces valuable life skills, including deductive reasoning, pattern recognition, hypothesis testing, and more. Lead the Zoombinis home!
