"If it's possible to have nostalgic feelings for a piece of software, Zoombinis is the one to love." - [USA Today](#)

"If you love puzzles, Zoombinis is the cream of the crop. It's silly, it's quirky, it's cute, it's smart, it's addictive, and it's enormously fun. Zoombinis is a fantastic game for families of all ages and skill levels to play together." - [pixelkin](#)

"Love, Love, Love this app. The opportunities to teach logical systematic thinking will last a lifetime, and teach skills that touch almost every area of practical life. This is why the Zoombinis are a top pick." - [teacherswithapps](#)

"Zoombinis remains a wonderful game, and if I could figure it out and be transfixed by it as a young person there's no reason today's players of all ages won't be able to be drawn in." - [boingboing](#)

"If you're looking for a solid, playful set of logic puzzles, Zoombinis remains a good choice, even after many years." - [Children's Technology Review](#) (*login required to read review*)

"Kids will be drawn in by the adorable Zoombinis and their flight to freedom. They'll stick around for the silly characters and the ongoing challenge the puzzles provide." - [Common Sense Media](#)
